A DEDICATION . . . . . To

We, the senior class of 1965, dedicate this, our school's first yearbook, to the community. It was you, the people, who gave your time and money to build this fine new school that we students are now enjoying. It is you, the people, who are now giving your time and money to maintain our school. The members of the school board named on the plaque which hangs in the auditorium foyer represent all the people of all the communities in this area. This school board and all the others listed on this plaque have carried out the people's wishes to create our beautiful school. We thank you, the people of our communities, for a most precious gift - the gift of an education!

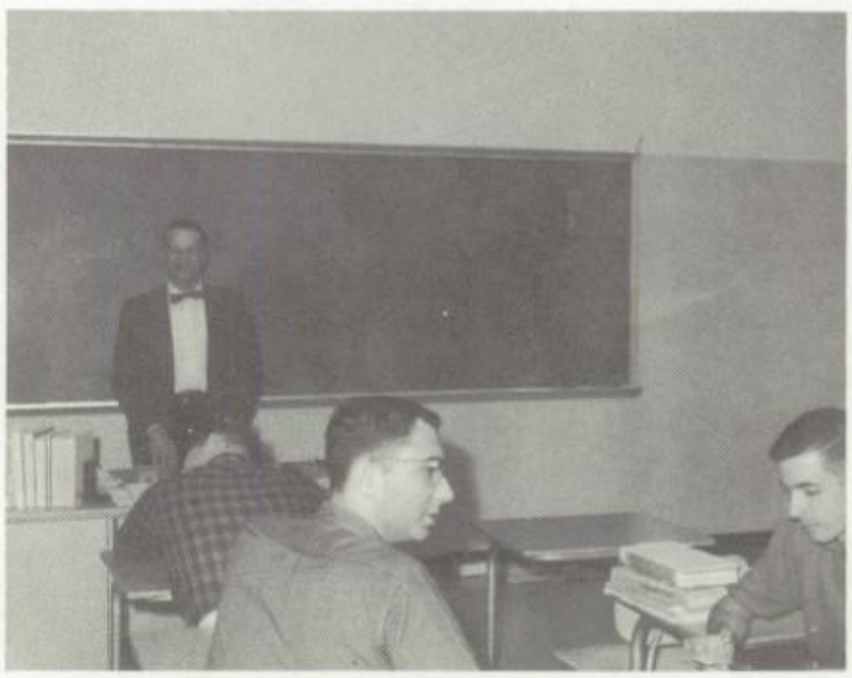
THE SCHOOL

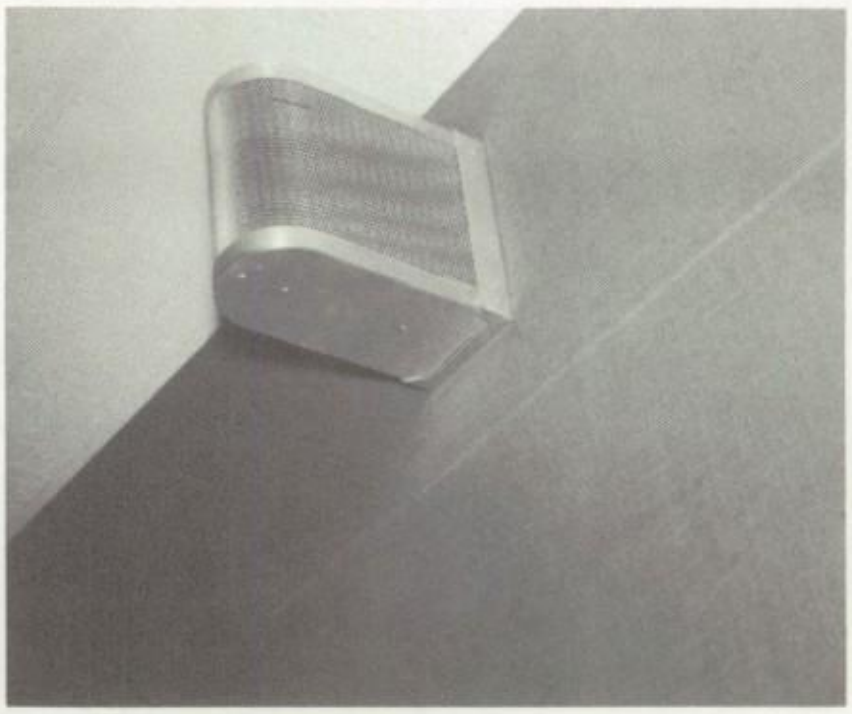
Waiting for the doors to open on another day of learning.

A TYPICAL

The flag ceremony gives an inspirational start to the day.



The morning homeroom period permits the students to arrange their activities - and to catch up on their sleep.



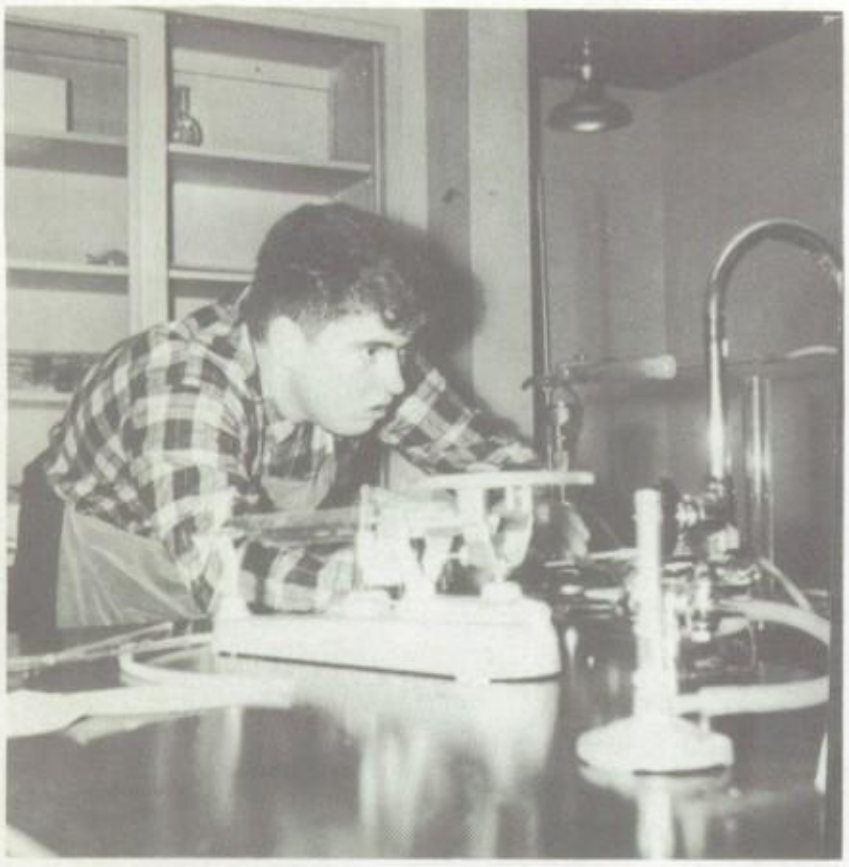
"Mr. Murray or Mr. Laabs, please?"

In our school each day has its own characteristics; yet some activities seem to represent the typical scenes of everyday school life. Throughout the rest of the book, we have pictured particular groups and events, but the next few pages have been devoted to everyday scenes - the ones which we will remember best as we recall our days at W.A.H.S.

DAY . . .

A student prepares for the business of the day.

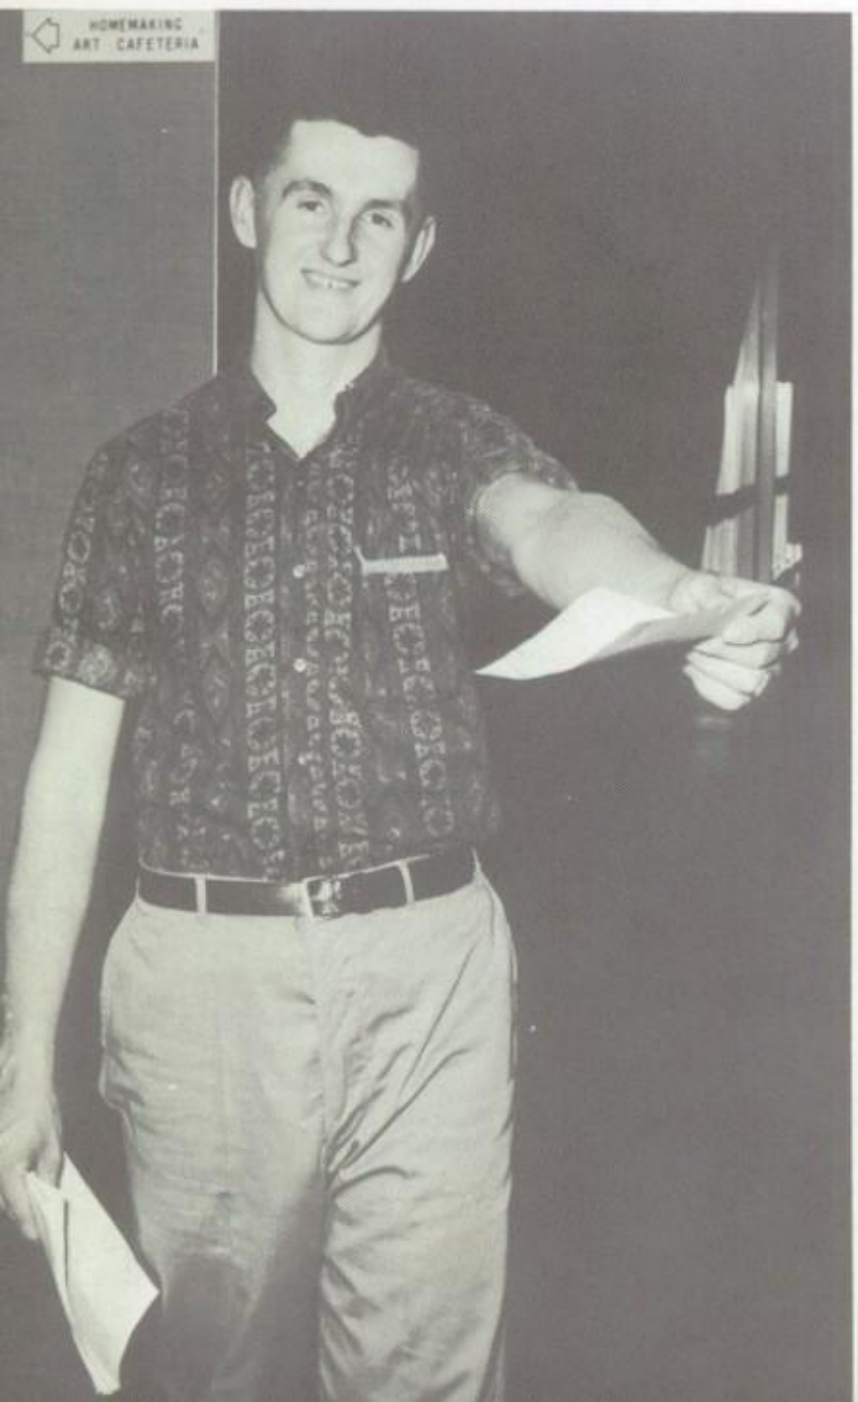
Individual counseling is an important part of the senior year.



"Is this really what's supposed to happen?"

In the laboratory, cleanliness is next to Godliness.

Donnie with the absentee list.

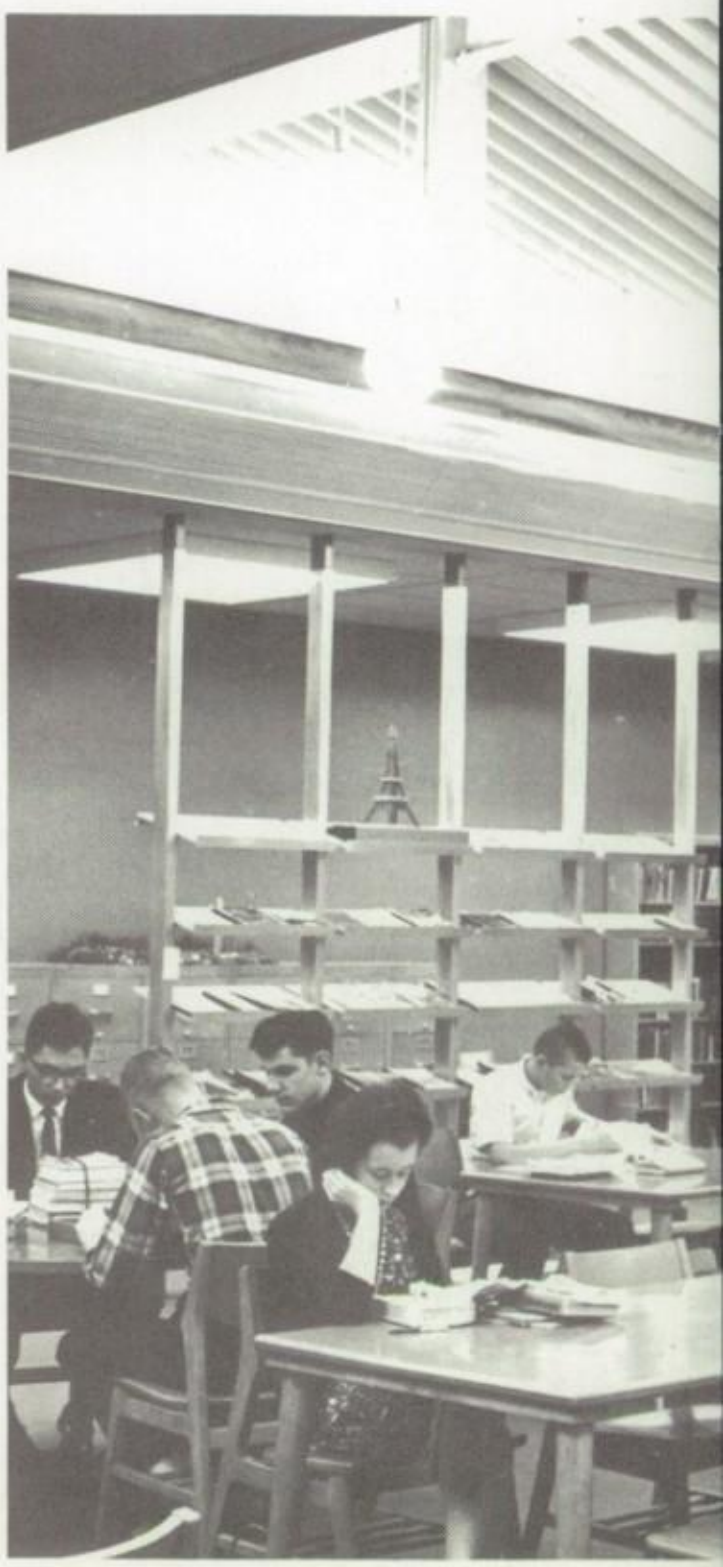


Even scholars have to eat.

Drivers' Education students are taken out of the classroom for practical experience.

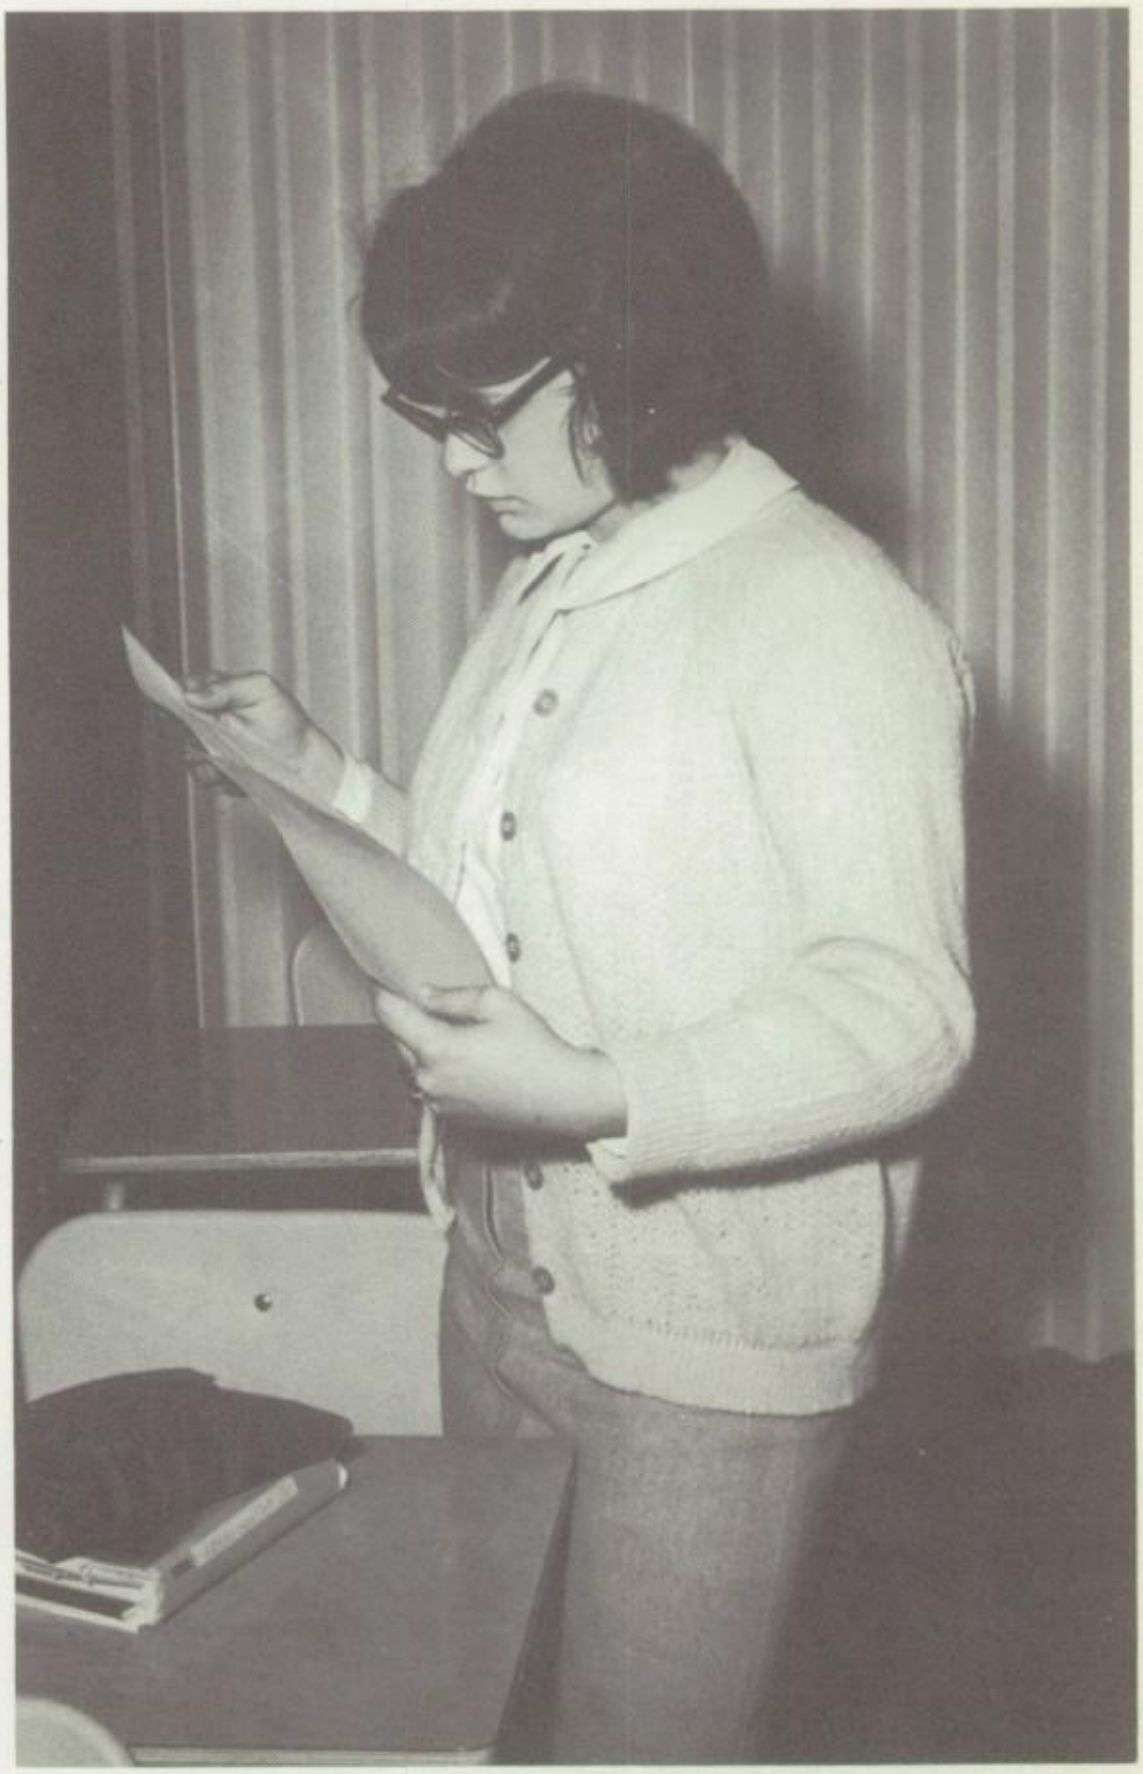
Language students gain fluency in this specially equipped laboratory.

In homemaking and shop classes, students learn practical sciences that will always be of value.



Mr. Reafler on his way to class - or a coffee break.

Once every six weeks, we face this moment of truth-report card time.



In the library, the students find a quiet sanctuary for study.

Supervising Principal

Mr. Maurice H. Bobst is our supervising principal. As the administrative head of all the schools in this jointure, he assumes the responsibility for the smooth, efficient operation of these schools. Although he is unable to be in personal contact with the pupils, each student is keenly aware of Mr. Bobst's far-reaching influence and appreciative of the tremendous tasks which he administers so efficiently.

Mr. Maurice H. Bobst

High School Principal

Our high school principal is Mr. Daniel A. Callaghan. His job is to control the operations of Wallenpaupack Area High School. The problems of the individual student are just as important to him as the problems concerning the whole school. We all appreciate the sincere efforts he puts forth to promote closer student-to-school relationships.

Mr. Daniel A. Callaghan

THE FRESHMEN

During the freshman year, students choose between a vocational or an academic course. Having made this choice, they are introduced to new skills and new subjects. As many an unhappy freshman has remarked, "This is the year when the vacation ends."

EIGHTH GRADE

During the eighth grade, the student enjoys an idyllic state of complacency and self-satisfaction. He d i v i d e s his time equally between congratulating himself for reaching such a high state of mental development and devising new ways to t o r m e n t the hapless seventh graders. Eighth Graders are assured that, with the possible exception of algebra, they have learned the wisdom of the universe. L i t t l e do they realize what the next four years will bring.

SEVENTH GRADE . . .

Seventh Graders go through a period of change, a period of adjustment. They are transplanted from their own small, cozy school to a bigger and more impersonal high school. Pupils who had previously spent their whole day in one room, now must switch rooms for each class. Being young and adaptable, Seventh Graders make the adjustment readily. Despite the mountains of homework and the heavy textbooks they must now carry with them, our youngest class seems filled with boundless energy.

SPECIAL EDUCATION

The students of Special Education work diligently to develop their capabilities to their fullest potential. After learning to be skilled craftsmen, they will become responsible, useful citizens in their community. In spite of their busy schedule, these students still find time to join in extra-curricular activities and to contribute valuable service to the school.

THE BAND

Under Mr. John Strupcewski's excellent direction, the band has played for many school activities in addition to the annual concert. They also marched in the Veterans' Day and Memorial Day parades. The Varsity

By beating our archrival, Honesdale, three times this year, the Buckhorns have again brought honor to our school. By winning third place in the JayCee tournament, the Buckhorns have won a trophy. Our team also won third place in the league. Mr. Robert Haag, coach; John Kiesendahl and Terry Staph, captains; John Strong, high scorer; and Marty Cerato, best rebounder, are part of a team with great personality.

FIRST ROW: J. Lavenduski, Asst. manager; R. Kimble, J. Strong, T. Staph, J. Kiesendahl, B. Box, R. Bennett, R. Bortree. SECOND ROW: R. Hanf, Asst. manager; L. Roberts, R. Valukonis, Mr. Haag, coach; G. Austin, N. D'Andrea, M. Cerato, R. Glasgow, Manager.

THE CHEERLEADERS

School spirit is ignited at all sports events by the enthusiasm of this group, led by co-captains Linda Crump and Jeanne Lange. At the Booster Game, they donned top hats and canes to perform a soft-shoe routine with the band. When our girls won first place trophy at the Junior Chamber of Commerce Tournament, we agreed that they were champions, not only in cheerleading, but in sportsmanship.

GOLF TEAM

Low scorer for the golf team this year was Terry Staph, who tied for third place in the District 12 PIAA tournament. With the home course at Hemlock Farms, the ten members of the team played four matches, winning two.

THE EVENTS

The Seventh and Eighth Grade Dance gives the Junior High students a chance to learn the social graces and to become better acquainted with one another.

THE JUNIOR HIGH STARTED THE SOCIAL SEASON

Halloween

Some of our students direct their Halloween spirit into constructive and creative channels. Mr. James tells us how windows may be soaped legally.

W.A.H.S. entertained the county F.H.A.

Kerry Monaghan, our exchange student from Australia, entertains the members of the Future Homemakers of America at their annual county-wide conference.

THE SOPHOMORE HOP

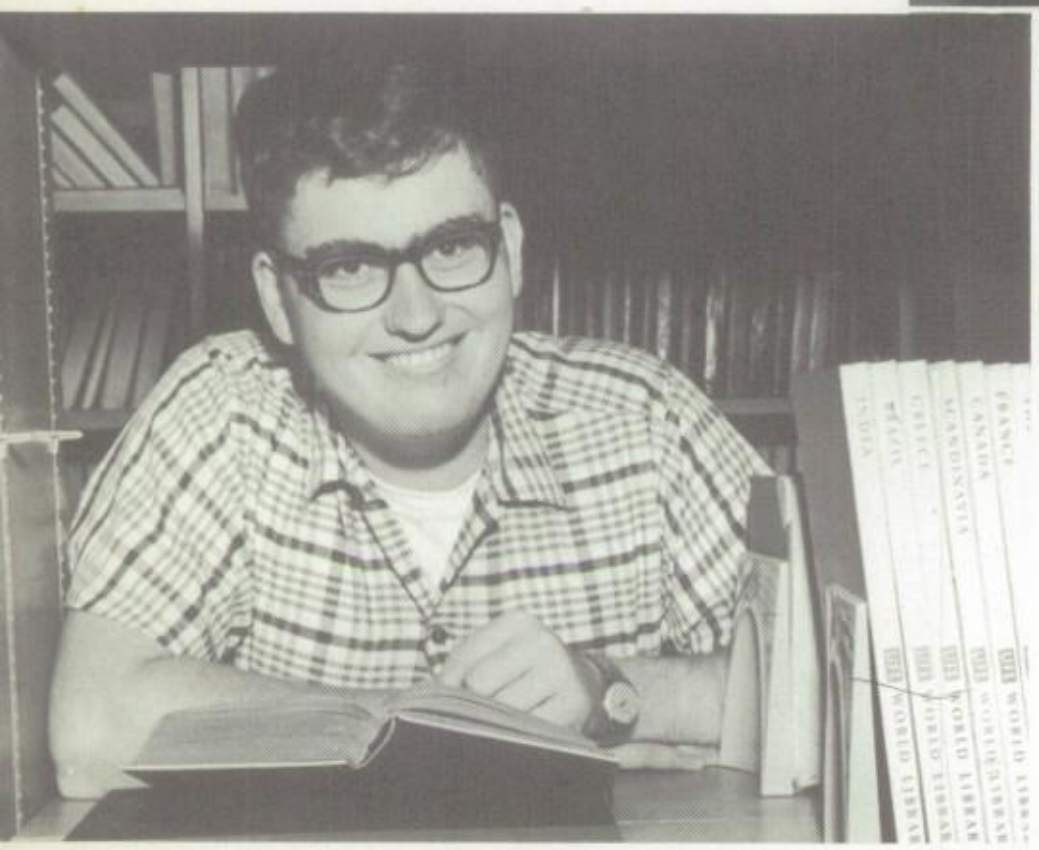
The committee hurried to put up the decorations for what turned out to be a wonderful evening. Even after blowing up all those balloons, they still had plenty of energy to enjoy the dancing.

The Hawks

THE SADIE

Each year the Student Council sponsors the Sadie, the most informal dance of the year. All students sport the latest fashions from Dogpatch. After doing everything from the Twist to the square dance, most students conclude that this is the most enjoyable night of the year. At intermission, we were entertained by the Lakesiders, and the cheerleaders and varsity held an impromptu pep rally.

Joe won first place in the Wayne County district V.F.W. essay contest.



Jamison—Our Merit Scholar

Gloria received the first place trophy in the County Talent Show.

The King and Queen of Hearts Barry and Anita.

AT CHRISTMAS

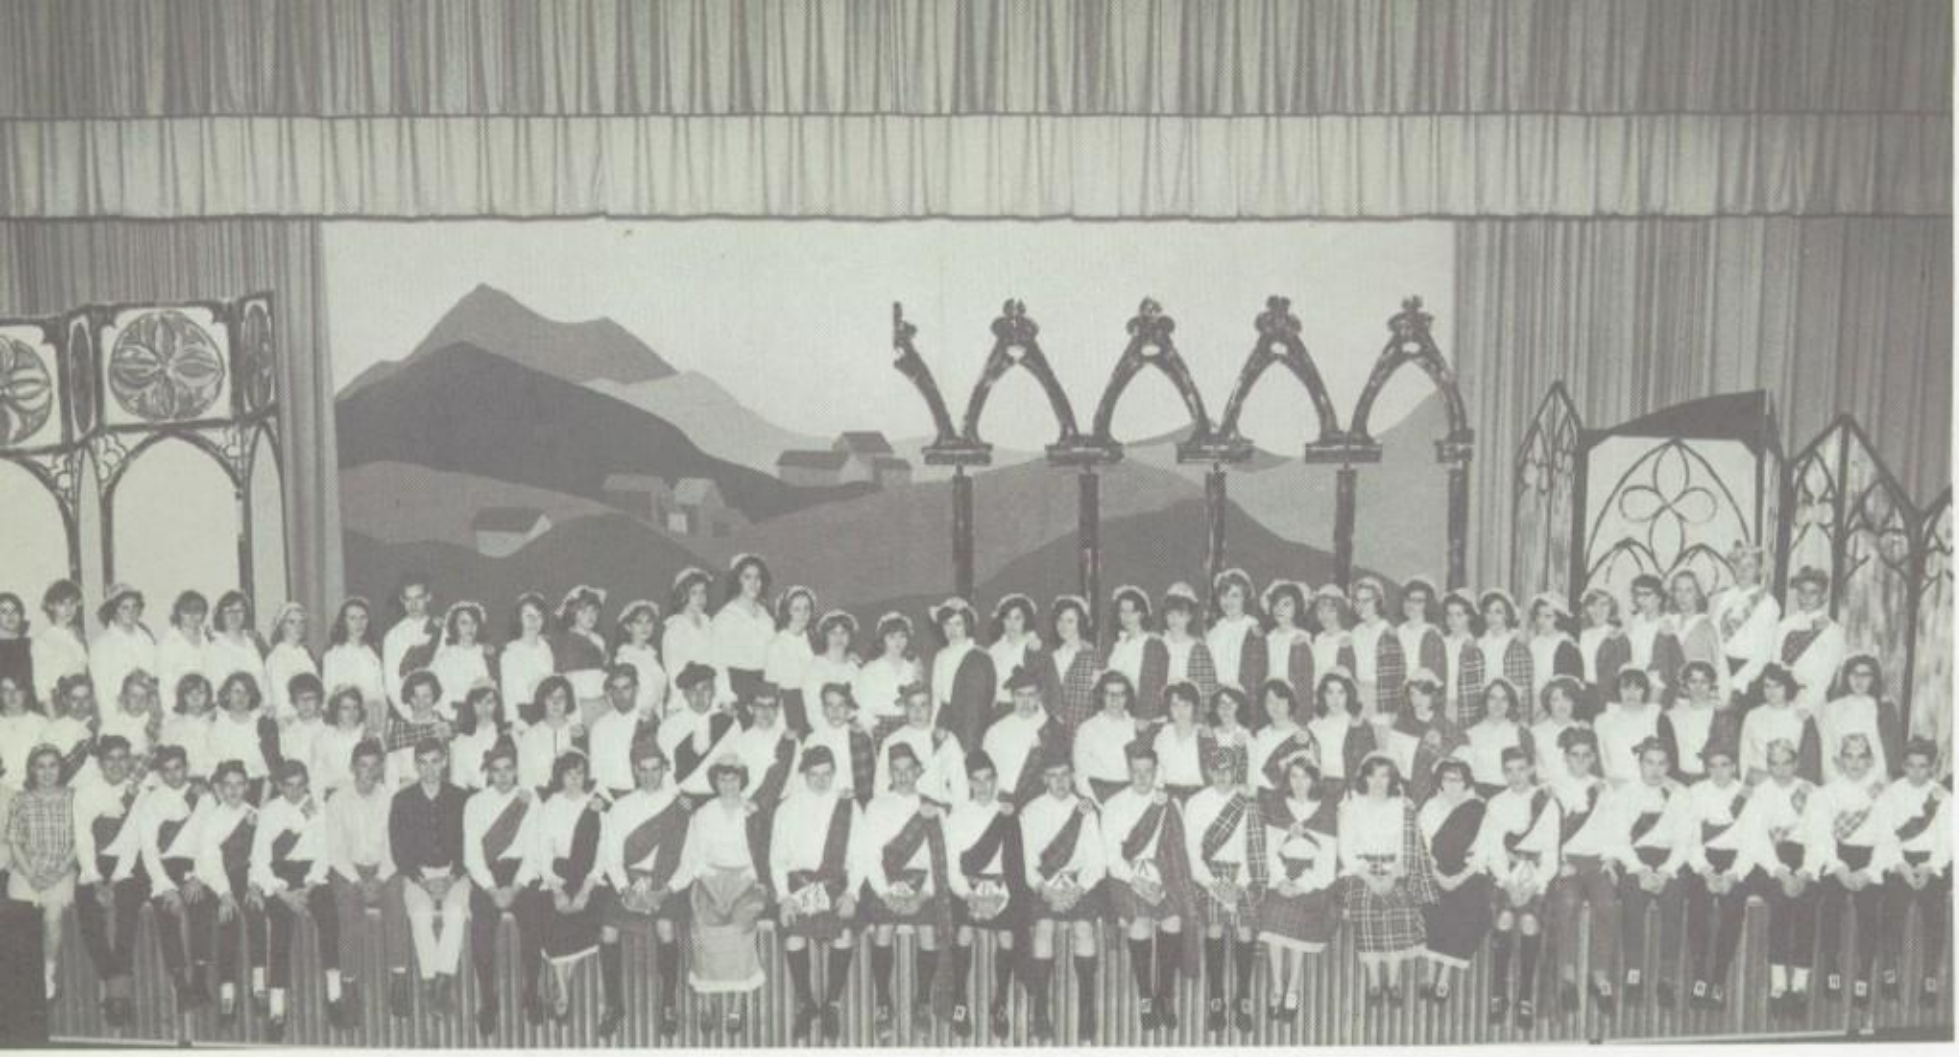
We decorated,

we sang the

Christmas story,

and we had

a party.



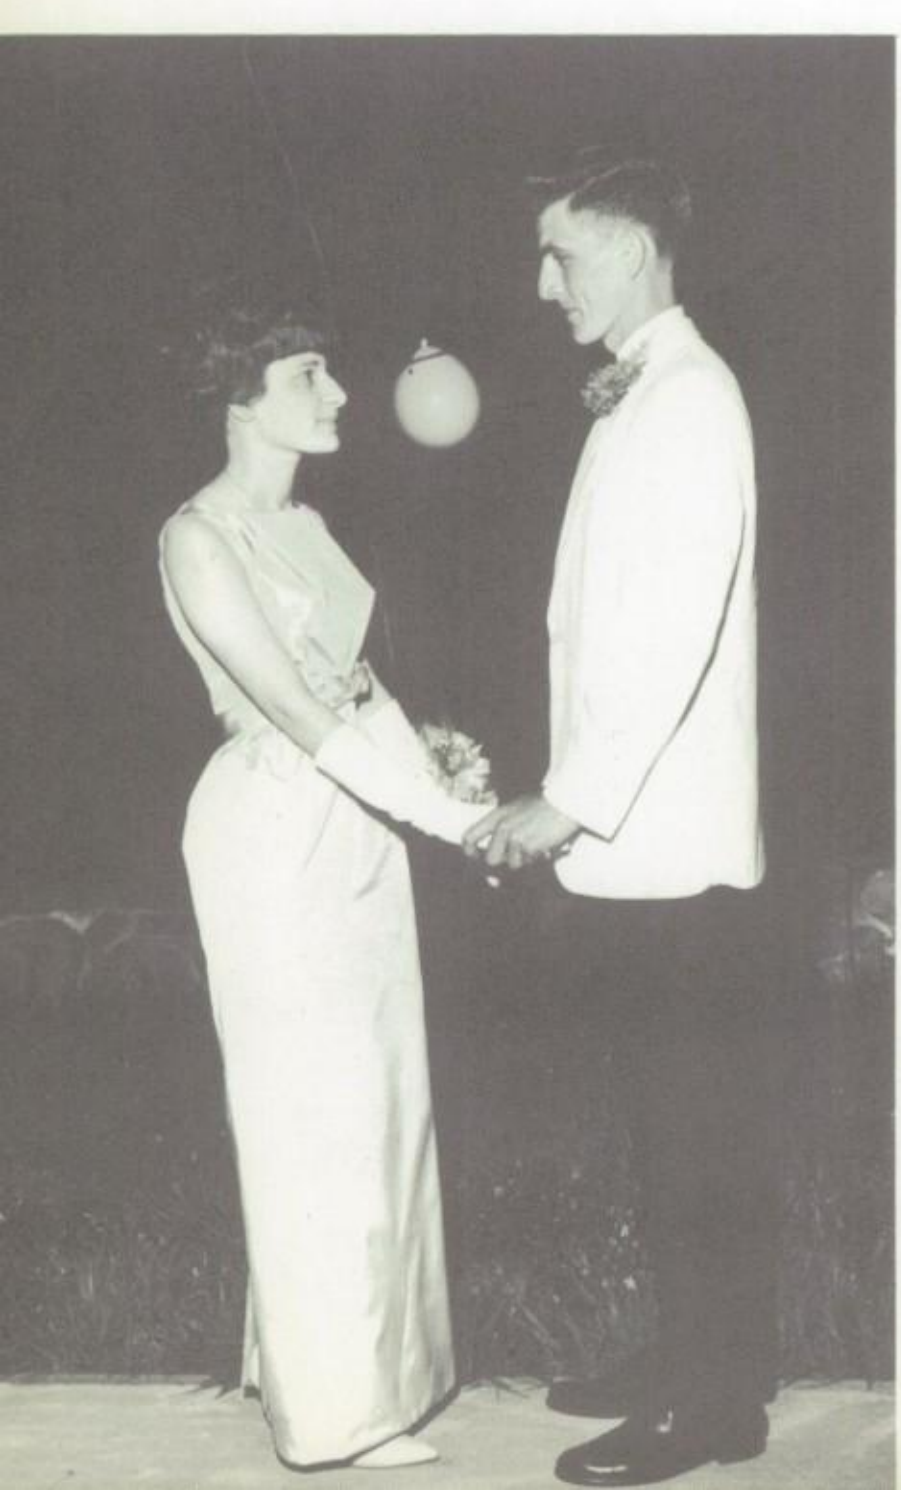
BRIGADOON

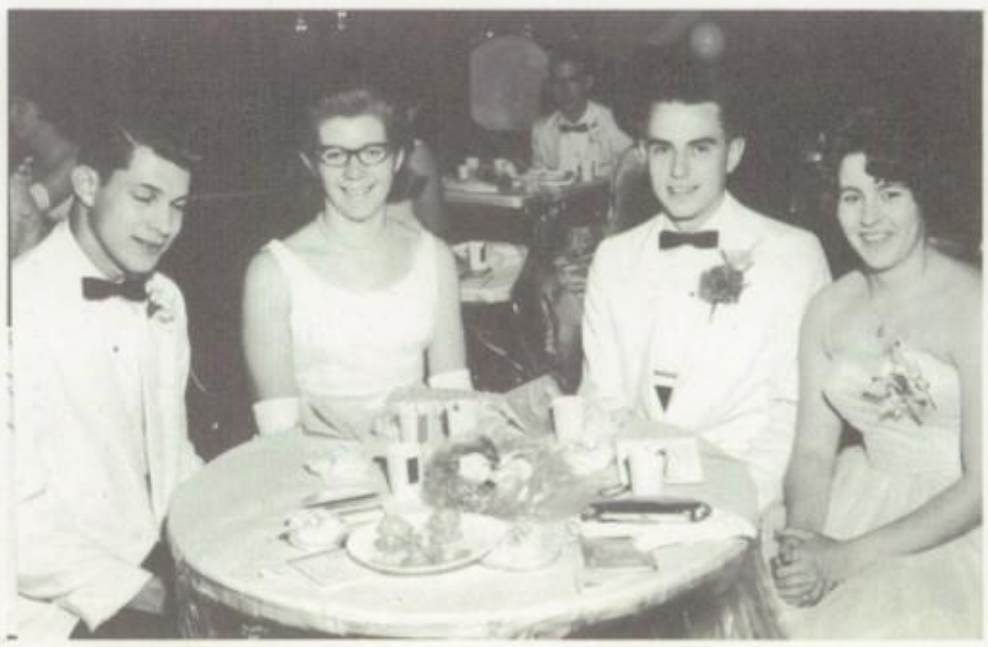
May 7 and 8, 1965— the days we all saw plaid!

This year our Vocal Music Department produced a Broadway musical play. A production of this size is a very bold undertaking. Both students and teachers gave much of their free time toward perfecting not only the acting and singing, but the staging, costuming, and dancing. Their efforts proved worthwhile for the play was received most enthusiastically by capacity audiences.

THE PROM

The Prom is the most important social event of the school year. The juniors devote many weeks of preparation to make this dance an occasion that the seniors will always remember. Since the dance is formal, the Prom is the best time to find us looking our very best. Joyce Bohné was chosen queen to rule over the Hawaiian setting complete with palm trees and a smoking volcano.



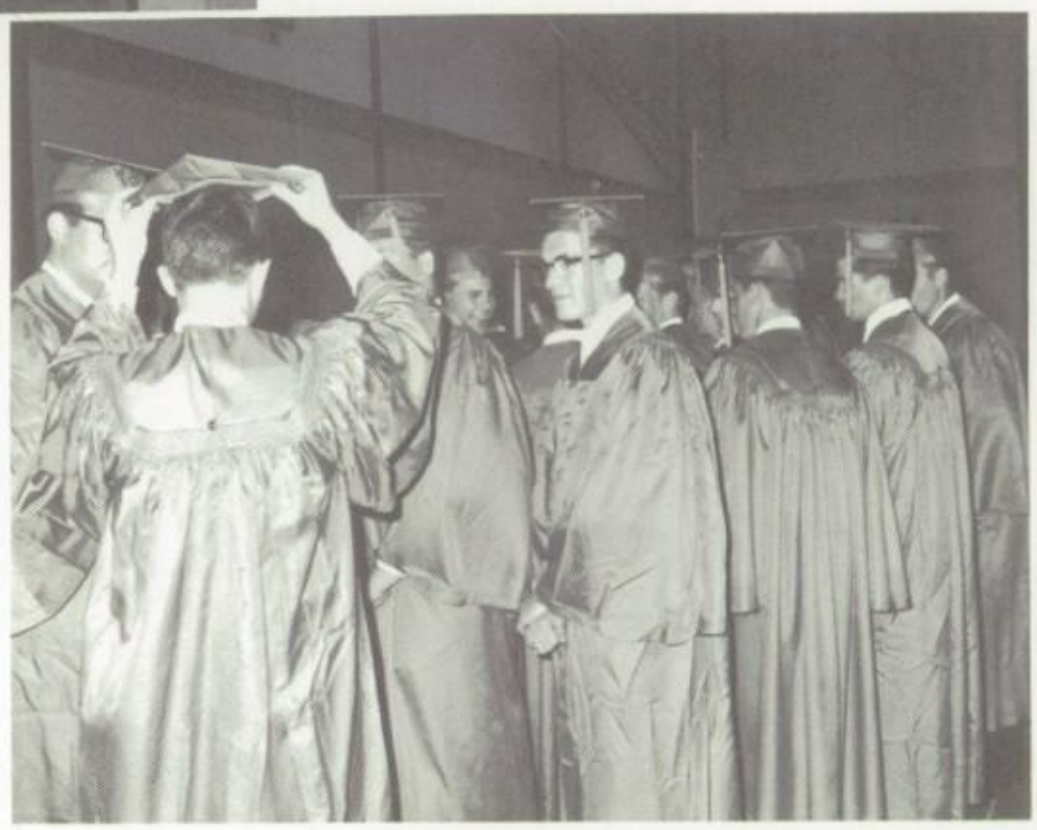


THE CLASS TRIP

On Tuesday, May 18, we boarded the buses for a wonderful four days in Washington, D. C. We didn't get much sleep, but we visited many historic and impressive sites.

THE CLASS PICNICS

June 10 proved to be the perfect day for class outings. Bathing suits, softballs, and enormous quantities of food were loaded on the buses that transported us to resort areas around the Big Lake.



COMMENCEMENT

Commencement on June 14 marked the end of our years together as the Class of '65. After this program, the graduates went their separate ways to find jobs, continue their education, and enter the military service. On this occasion, the senior feels many emotions; a sense of joy, of sadness, and of accomplishment.
